DISPLAY MATE

BUILDING A DIGITAL SIGNAGE NETWORK

Transforming your signage from *just a board*, into an intelligent, interactive source of REVENUE and a powerful DATA COLLECTION tool for your business!

Remotely Control Content

- Schedule Displays
- Display by Location

Open multiple opportunities to advertisers!

Content Scheduling Assistant

- Activate different content on multiple displays at the same time.
- Adapt content to peak traffic periods by surroundings or demographic.

Prevent screen burn-in by creating screening variation!

Through Facial Detection

- Trigger Content
- Record Viewer Dwell Time

Report market data to capitalise on opportunities!
